

Bless as much as your heart desire (Deut. 33:24-29)

God is overjoyed with the grace he desires to pour down upon the church and to the believers so that you are able to bless as much as your heart desires. Before God calls you to heaven you must be able to bless one person as much as your heart desires. Today's scripture talks about the time before Moses was called to heaven and when he blessed the 12 tribes in Israel. The feasts of harvest are the feasts of grace where God pours down his tremendous blessing upon the church and believers. It is the greatest feast of all that is why there are many different names for the feasts of harvest. It is the weeks of harvest and the feasts of ingathering. The feasts of harvest began when Moses went up to Mt. Sinai to receive the word of God. It was the day in which Moses received the ten commandments, the Lord poured down the fire, and wrote the law of God on the stone tablets. In a movie called the Ten Commandments there was a scene where the fire blazed through the stone tablet and wrote the law of God. I do believe that in that scene when the fire came upon the stone tablet it's as if our heart that is like a stone was written with the word of God. That is the start of the feasts of harvest. The Holy Spirit of wind and fire came upon the day of the Pentecost. I do believe at that time when the fire came upon the stone tablets to write the word of God the day of the Pentecost the Holy Spirit and the wind and fire worked upon their head to likewise to our spirit to receive the gospel. God is so urgent that is why he poured down the Holy Spirit of wind and fire to work upon us. During the time of the feasts of harvest may you not consider this as another feast may it be the time where you pray Father God allow the word of God of Jesus Christ that is living and active to be upon my heart like the stone tablets. I am truly thankful for the fact that a person like me was able to receive Christ and live for the sake of the gospel. I do believe that it is Jesus Christ who came upon my heart that was so hard like a stone that was written upon my heart. I bless you all in the name of the Lord that the work of the Holy Spirit as well as Jesus Christ of love and life will be upon your heart to which you will have the burning consuming heart for Jesus Christ. May it be a time where you observe the feasts of harvest with the burning heart inside of Christ. In the book of Exodus it says that as long as you keep my word there is no one that will be able to take over or harm your land. I bless you all in the name of the Lord that during the feasts of harvest and the day of the Pentecost the Holy Spirit will be upon you all. In order for you to be tremendously blessed by God you must be able to bless as much as your heart desires and truly be in Thanksgiving. Jesus Christ said that whoever you meet within the household please pray so that peace will be upon them if peace is upon them it will be given to them but if not the peace will return back to you. That's why you must be able to continuously bless others. When you bless others that blessing will be upon them if not the blessing will return back to you. Especially for those who want to receive tremendous blessings from God if you see someone that lacks to receive the blessing you must be able to pour down the blessing upon them. If not that blessing will return back to you. Then you

will be able to receive ten fold and a hundred fold of blessings. Do you believe in this? The most pitiful people are those who are not able to believe in the blessings of God. Let's look at Zephaniah chapter 1 verse 12, "At that time I will search Jerusalem with lamps, and I will punish the men who are complacent, those who say in their hearts, 'The Lord will not do good nor will he do ill.' This is the word that is most needed in this age. If you pour down water upon trash it will die down. The Lord God said whoever is religious within the religious walk of faith it will be as if he pours down water upon them to which their hearts will die down and they have no choice but to perish. Do you truly believe that God is blessing you? Especially for those who have a complacent heart, many of them will say how is it that God will bless us and God will punish us in this age rightfully so he will. You must be able to be the one who can bless as much as your heart desires upon your children, the pastors, and the church. I do believe that those who are able to bless other people will rightfully be the one to receive the greatest blessing of Christ. All the forefathers of faith, especially those within the bible were victorious because of their prayer of blessings. Today's message title is 'Bless as much as your Heart Desires' but if you take a look at Genesis chapter 27 where Jacob tells his son to "go and bring me the stew for I will bless you." That is why he tells his son to prepare delicious food for him so that I am able to bless you as much as my soul desires. It's not that anyone is able to bless anyone yet, they must be in the state that they are able to bless others. You must be able to be in the state to which your pastor wants to bless you. You must be in the state to which the elders have no choice but to bless you. If you take a look at today's scripture it says that Isaac asked his son to prepare the food but in order for you to receive the blessing of your pastor you must be in the state where he desires to bless you. We say one heart, whole heart. You must be the soul of one heart and whole heart. The spirit is able to connect within the heart and soul. You must first begin the blessing to bless others. Rightfully so, when you are in the prayer of blessing others, this will be transmitted to which the pastors will want to bless you. For Isaac himself, he poured down the blessing to Jacob to which this blessing was passed onto the twelve tribes from Jacob. In the book of Hebrews, Joseph was able to pour down his blessing to his sons and placed the staff on their heads. Jacob gave the prayer upon the twelve sons until the Lord called him of his 137 years of living. I bless you in the name of the Lord to which you can pour down these blessings to your children, parents, church, and the Lord's servants which are the pastors. In Numbers 6, the Lord poured down His blessing to Moses and told him to bless others in this matter. It was God's commandment, to bless others in this state. It says in Deuteronomy 33:1, "This is the blessing with which Moses the man of God blessed the people of Israel before his death." Parents, are you continuously giving the blessing of prayer to your children? Are you in the continuous prayer for family evangelism? I am from a non-believer family. My fathers was from a non-believing family to which he served many idols. I was persecuted from my own family because I believed in Jesus. When I believed in Jesus Christ, I came to realize that all of

my elders and ancestors have gone to hell because they did not believe in Jesus. I was in a continuous fasting and prayer for family evangelization. My father received Jesus Christ in his last days and said that he was leaving this world holding onto Jesus Christ. All of my nine siblings were able to believe in Jesus Christ and were able to bear fruit. May you truly believe in God's blessing. I believe that you will be the important workers of evangelization as you pray for family evangelization.

May I receive much more of Your blessing as Those around me will be Blessed.

Verse 24 states, "And of Asher he said, 'Most blessed of sons be Asher; let him be the favorite of his brothers, and let him dip his foot in oil.'" Do you know Asher? He was a special person but was a chosen one of the tribe. The oil in the scripture signifies Christ. It states that he was the most blessed of the sons and this was because he dipped his foot in the oil of Jesus Christ and had faith. I bless you all in the name of the Lord so that you can pour down the blessings towards your siblings. Do you think it will be of much joy if you give them money? You will give them joy when you can dip your foot in Christ. With the name of Jesus Christ you must bless them with the blessing of prayer. That is the way for you to transmit life upon them and bring joy to your siblings. That is the way to be victorious in interpersonal relationships. In the headquarters, 70 disciples, 70 regions, is a very important theme. But in the Bible, it is never 70 disciples. He did not only raise up 70 disciples, but he raised up 70 workers. Before being a disciple, you must be a worker of God. That is why God has created man in His own image and placed his breath upon mankind. He placed the breath of life but that was not enough, which is why he created the helper of man. This is the fact that he was alone and it is not okay to be alone. That is why we created a woman as prosperity could be born. The Lord God helped them through a helper. Being a true Christian means that they are able to help others as they are born in the image of God. I believe that Americans have such a great greeting. What do you say when you meet someone? "Hi." "Hi" in Hebrew stands for life. It is such an awesome greeting to say that "Let's live by the breath of life that God has given us." When you restore the breath of life, that is when you are able to help others. For you to continuously pray and bless them is to relay the breath of life to them. Matthew 18 states that when there are two people, God will allow them to be together. There are only two people. Matthew 18:20 states, "For where two or three are gathered in my name, there am I among them." We need to have the unification in which one another can communicate within the heart and soul of the Word. If you take a look at Mark's upper room, they were able to speak in tongues because they were filled with the Holy Spirit to the point in which people from 15 nations connected through the word, soul, and prayer. To speak in tongue means dialect. It is the dialect of the country home. To speak in tongues means that they are connected with their heart, soul, within their own state. You must be in a relationship to which two people can connect within their heart, soul, and word as well as

the will and love of God to bless each other. It must be like Jacob not which he was in the prayer to bless others until God took him. It says that the Lord God commanded Moses to bless others to which he was able to bless Asher. If you are not in the state to bless others, then that is not a true church. You are merely coming in and out of the church. Are there any that truly connect with two to three others in spirit and heart? During the end times, many prayers have been diminishing. I want you to take a look around and think of how many people you are able to connect with others within your heart, soul, prayer, and the Word. May you seek after those people. May you begin that today. During early morning service, I look forward to about 12 people that are truly praying as the Lord's servant but to be honest there is no one. If there is no one that you can connect with word and prayer, how can you receive God's blessing? I came to realize that there wasn't anyone that could pray for me when I was younger. Don't expect others to pray for your blessing to come upon you first, but pray to bless others first. I believe that when you are able to bless others first, that will be transmitted to which you will be able to connect within the prayer of blessings. And when you are unified in the prayer of blessing, let us take a look at verse 25, "your bars will be iron and bronze, and as your days, so shall your strength be." Let us read verse 26 together, "There is none like God, O Jeshurun, who rides through the heavens to your help, through the skies in his majesty." Let us read verse 27, "The eternal God is your dwelling place, and underneath are the everlasting arms. And he thrust out the enemy before you and said, 'Destroy.'" So when we pray, let it be a time in which your bars will be iron and bronze and your eternal God is your dwelling place and underneath are the everlasting arms. Where are Father God's arms? It means that the eternal Father God is the everlasting arms. I believe this grace will be upon you when you are able to be in the prayer of blessing others. So in order for the 70 disciples to arise, there must be unity in prayer, interpersonal relationships, and teamwork. Secondly, to be able to bless as much as your heart desires, you must become like Jacob's fountain head. It is to be Jacob's fountainhead. Let us take a look at verse 28. "So Israel lived in safety, Jacob lived alone, in a land of grain and wine, whose heavens drop down dew." The Israelites were able to live in safety because of Jacob's fountainhead. What does it say? Isaac always farmed, and wherever he went, he was able to dig a hole that he was able to receive blessings. That is why he tells his son, "Let me be able to bless you as much as my heart desires." It was passed on to Jacob to which he was able to bless the 12 tribes of Israel. And for Jacob, as much as he was able to bless as much as his heart desired, this passed on to Abraham to which he was able to bless the 12 tribes. I bless you that you will be able to bless others as much as your heart desires to receive Jacob's fountainhead and be used for the sake of the family and children evangelism, just as it had taken place for the figures of the Old Testament. Let us read verse 29 together, "Happy are you, O Israel! Who is like you, a people saved by the Lord, the shield of your help, and the sword of your triumph! Your enemies shall come fawning to you, and you shall tread upon their backs."

I believe that you must be able to hold onto this covenant so that you are able to bless others as much as your heart desires and to receive Jacob's fountain head. It says we are happy but who are those who are happy? It says who are you, a people saved by the Lord. How must you receive this a person like you who has been saved by the Lord. You must be able to acknowledge a person like me has been saved. A person like me has been saved to the extent that I am now happy. A person like me has been saved inside of Christ to become a child of God let alone to bind the word of darkness and has been set free from all. Who was a person like you in the past? You were a sinner that didn't know God. I lived a cursed life to which I was a sinner. A person like me who once was enslaved to Satan but yet it is all by Christ that I became a child of God and received the Holy Spirit inside of me. It is a person like me to which God has completely forgotten all of my sins in which he has set me free from all. A person like me who has been saved and is now happy must be able to transmit and relay this happiness to others as I first bless them. I for myself whenever I take a look at the church I always continuously emphasize for all of the believers to pray for the sake of family and children evangelization. The reason why I came to America is because I came along with Pastor Kim who's son recently got married but yet his son came as a pastor's son but yet he came to America just to make a living. I met him a couple times, I led him, and talked with him to lead him to attend Remnant University. At first when I told them that he would not even dare to listen to me. I told him let's at least give it a try by attending RU. I told him that I will pay for all pf your school fees. Now he is attending RU to which he has recently graduated. I was so thankful for the fact that he now is an assistant pastor and he recently has gotten married. With a joyful heart I was able to attend his wedding because of the heart that I have to save at least one remnant. It's the same for my own child and also for other children. All you have to do is simply pray as much as your heart desires. To be honest with you I am sweating just a little bit because I'm quite nervous to give the sermon before you all but there is one sure thing that I want to tell you. If God says that he will not punish or give no ill to that person God will pour that down to them. If you are continuously in the prayer of blessing them it will be the same as if Isaac was continuously praying for the blessing to be poured down on Jacob and to Moses. You must make the stream of blessings. You must be able to fulfill the unity of prayer with two or three people for the sake of enjoying Christ. You must be able to begin that today. Two to three people must pray together but yet to be honest with you there are not a lot of people who truly come together to pray. The church is a place where they must pray for all nations. You must be able to form a team of prayer but whom do you first connect with within the word and prayer. For Paul himself he had many workers and disciples who were attached to him. They were the ones who truly loved the church and the gospel. If you take a look at Romans chapter 16 he states all of the fellow workers and the disciples who helped him but he calls them out as my fellow worker, my fellow hosts, and my fellow patrons. For the church officers if you truly love the church

you must first be able to love the evangelists, the Lord's servants, and the pastors. That is a true worker of the church. It is heavily emphasized in Romans chapter 16 through the church officers that those who truly love the church and the gospel you must be able to really connect with the prayer of the pastor within the spirit and the heart. I do hope that it will be a new start for you to which you have the prayer unity that you are able to first love the church and the gospel as you connect with the pastor's spirit and his heart. I believe that when you continuously pray as much as your heart desires to bless other people God says that I will listen to your prayer and I will answer according to it. As much as your heart desires may you be blessed for the sake of family evangelization and to save your family line. I do believe that when two to three people gather together in the unity prayer they will become the five in one team, they will become the 12 disciples, and they will become the people of the 15 nations in Acts chapter 2 that leads to saving the 237 nations and the 5000 tribes. That's why you are not merely a church goer that goes to church back and forth. Please seek after two to three people that you can be unified together through prayer. May you bless as much as your heart desires. Did you just come to America just to make a living? I do believe that God has a special will for you that is why he has called you to live in America for the sake of world evangelization. I bless you all in the name of the Lord that you will bless as much as your heart desires.
