# The Life of the Wilderness

Exodus 3:15-22

You may compare your life to the wilderness. If you live your life the way the Israelites lived in the wilderness, then you will be victorious. First of all, they were liberated from all curses by the blood of the lamb. Also, they gave the sacrificial offering of the lamb every morning and night. Furthermore, they held to the covenant of the three feasts as they headed towards the land of the Canaan as they lived in the wilderness. Likewise, this is the model and answer to your life that is like the life of the wilderness.
