Begin with the Gospel

Acts 1:1-8

By God's grace, you are at the place of worship. Through the time of concentrating on God to receive the Word to see the work that will arise, you must be reminded that you are God's person, His child, and a witness to save the 237 nations. However, the world should be led by the Gospel, but is led by Genesis 3 (Self centered), Genesis 6 (Material wealth centered), and Genesis 11 (Success centered), and you are being influenced by it as you live your life as well. You must come to know the difference between the Gospel and religion. The Gospel is the answer and strength to life. Also, the Gospel gives true rest. Religion is of Genesis 3, 6, and 11 that influences your life to which only by the Gospel can you discern all things. Yet, there are many spiritual Pharisees in the world that look down on those who live by the Gospel, but those who have the Gospel must continuously be trained in the Gospel and apply the Gospel to themselves to save them. They will receive this answer to help others as a witness.

1. Don't be tied to the Past.

- 1) Your past is not something told by time or space but is rather a time before you realize the gospel and deeply receive grace when seen through the standard of the gospel. There are people that quickly received salvation by God's grace and are being used or also people that are healing from spiritual problems. It is Genesis 3,6, and 11 of your past.
- 2) Even if you relay the gospel in a firm and stern way to others, you may be lenient to yourself to apply the Gospel. When you are continuing this, you can become lethargic without even realizing. In this case, you may be good at relaying and teaching the gospel, but you will do very poorly in applying it to you. This is a state that most lay leaders and church officers may face, so they must focus on listening to today's Word, praying, and on an evangelism plan.
- 3) The new believers and Remnants must not be caught in the past, including incidents and scars from problems in the past. Everyone has difficult situations in their lives so if you don't have the answer, then the scars will still hurt and can't be solved with anger.
- 4) The gospel is the answer to this as God opened the way to meet Him as the true prophet through your problems, allow you to experience the power of the blood of Christ as the true priest through your scars, and discover Christ as the true king who crushed Satan's head in crisis and despair. If you cannot enjoy the Gospel, you cannot become a witness of God because you will not spiritually grow.
- 5) Matthew 11:28-30 states, "Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."
- 6) May you be blessed to find yourself who can enjoy the Gospel, and not be tied in your past, but rather have victory.

2. Enjoy the Present

- 1) If you misunderstand the meaning of enjoyment, you might find pleasure through physical and visible things like one's background, but no pleasure in the flesh can bring true happiness. You have come to this country to save this age, have been living in this age, and have been led to the place you are now. It's not difficult for those who have the Gospel to distinguish what to enjoy in reality.
- 2) The best method to enjoy your reality is to pray to enjoy Christ. The spiritual things that you, who have the Gospel, are doing right now are enough to overcome and conquer reality, so may you continue to enjoy this with confidence.
- 3) It is not a prayer to solve a problem, not a prayer to escape the environment, not a prayer to get out of a crisis or conflict, but it's a prayer to find God's absolute plan is the best way to enjoy

your reality. The answer found here is Heavenly Talent and it will be the driving force for victory in your lifetime.

- 4) The 7 Remnants, members of the Early Church, and people of faith in the book of Hebrews are sufficient witnesses. It is only natural that God allowed this problem to you. The environment that has been opened to you is exactly what you need. The current crisis is God's absolute plan, so He will surely triumph and set you up as a witness.
- 5) Do not forget that you are growing spiritually through the Gospel and by applying and enjoying this, and may you have the blessing of being the evangelist who glorifies God.

Conclusion

- 1) It is possible only through the grace of Jehovah the Holy Trinity, who has solved problems of Genesis 3, 6, and 11 and has already given you answers. May you have the assurance that such grace has already been given through Christ.
- 2) Since enjoying reality is to turn all problems, circumstances, crises, and conflicts into prayer, may you come to the conclusion that there is no need for anything else, specifically for those who have these clear answers imprinted in them. May you enjoy this Gospel with assurance more deeply.
- 3) May you receive this blessing from today's scripture, Acts 1:1-8, that if you start with only Christ, only the Kingdom of God, and only the Holy Spirit, then God will do world evangelization.
