Disciples and the Evangelism Strategy

Acts 16:1-5

There is a strategy to evangelism. The strategy is God's plan and the one that God has called is the disciple. God is at work upon evangelism. No one can say that evangelism is their own plan. Salvation is God's absolute authority to which you must rightfully follow after God's plan. Therefore, it is not an exaggeration to say that prayer is evangelism. The key point of evangelism strategy is the Gospel, prayer, and disciple.

1. Paul wanted Timothy to accompany him

- 1) Disciple
- 2) Nurture
- 3) Matthew 13:8-9 "He who has ears, let him hear."
- 4) Matthew 28:16-20
- 5) The one who is in God's plan

2. Ideology to transcend

- 1) Circumcision
- 2) Isaiah 62:10 "Clear it of stones." "Lift up a signal over the people."
- 3) Limited concentration
- 4) The prayer that has uncovered the reason

3. Apostle Paul's prayer

- 1) Centered on the Gospel - Always Christ
- 2) Centered on prayer
- 3) Centered on disciples
- 4) The life-staking devotion

4. Conclusion

- 1) Those who know the Gospel will come to know true prayer. The one who knows true prayer will move the world.
- 2) Answers will come even if you do not diligently do anything as long as you are aligned to the fundamental commission.
- 3) Don't try to do it. Just hold to it. You don't have the strength to do it on your own because you do not know the future.
- 4) Prayer is to enjoy God's blessing. It is a matter of how much you choose God's desire.
