## Centered on the Disciples and Concentration

Matthew 28:16-20

Evangelism must be done according to God's will. If evangelism is done by man's thoughts, then it will fail in the end. In the book of Judges, many ridiculous events arose. If the standard is not known, they think that such events are not common sense. It is the same as the evangelism in the past. In God's eyes, it was such an unfortunate evangelism.

### 1. Centered on the disciples

- 1) This is God's will. - It was the plan that was destined.
- 2) The Gospel is the standard. They staked their lives.
- 3) If your spiritual eyes are opened to evangelism, then you will live a life as a disciple.
- 4) Training – Important (Word, message, field)

### 2. Word concentration

- 1) Worship, message, training, and field.
- 2) Holy meditation confession - The set time - Christ
- 3) The time that is set apart - Concentration training - Nurturing the disciples
- 4) The one who has come to the answer - Paul

### 3. Evangelist – The mystery of conquest

- 1) The end of the Gospel is evangelism (Legalism)
- 2) The end of evangelism – Disciples
- 3) Evangelism – It's not the importance of acting on evangelism, but to have the spiritual eyes opened to evangelism.
- 4) Evangelist – The ones who possess the covenant (The only thing that is needed is the covenant)

### 4. Conclusion

- 1) The one who is not able to see the incorrect things - They do not believe in God.
- 2) Don't be so fixated on evangelism, but be fixated on the disciples.
- 3) The one who is not concerned about the task of the world will be able to take this path.
- 4) Hold on to this answer for it is a mystery.
