The Absolute Covenant

Judges 16:23-31

God does all things according to His word. Knowing this truth is a great answer for you. This is because all you need to do is live by the Word. That's why Satan constantly hinders you and everyone falls into deception. However, you received the grace to open your spiritual eyes and come out of this. If you know the covenant then you will have victory. The reason why the Word is everything is because God's covenant is contained within it. The covenant is the core of the Word and this is the Gospel. Since this is the only way to deliver mankind out of this curse, God's desire is to relay this to the ends of the earth. To those who do this work, God gives many answers and evidence. It will be a message to continuously stand as a witness. Through this you will conquer your problems and disasters and have victory. May you have the blessing of living in God's answers for the rest of your life because you are devoting your whole life for this work.

1. The absolute covenant

- 1) God's covenant never changes. God changed Abraham and Sarah's name and commanded circumcision for them to never forget this. It was so that they could remember for 24 hours. It was the same for Samson.
- 2) Samson was chosen as a Nazarite to God for he shall save Israel from the hand of the Philistines. (13:5, 15:4-5, 15:15) He killed many Philistines and damaged their property, however his weakness was revealed to the public. "And the Philistines seized him and gouged out his eyes and brought him down to Gaza and bound him with bronze shackles. And he ground at the mill in the prison." (16:21)
- 3) After the secret of the Nazarite of God was revealed, he was miserable in slavery. It is a scene that shows the important reason why you must keep the covenant.
- 4) So no matter what happens to you, you must keep the covenant and fight the spiritual battle. God did not forget Samson so it records, "But the hair of his head began to grow again after it had been shaved." (16:22)
- 5) Satan cannot know the mystery of the covenant. Even if Satan finds out, he can never know the mystery of the covenant. God's covenant was inside of his hair. They did not know that the covenant would be fulfilled by the growth of his hair. They were oblivious to this.
- 6) Regardless of what the covenant and its mystery can do, Satan cannot know of it. Even when Satan does know, there is nothing Satan can do. If God commands, then Satan must do so. Satan cannot do anything close to what God commands.
- 7) Satan was only able to tempt Job to the extent that God permitted. Job 1:12 "And the Lord said to Satan, "Behold, all that he has is in your hand. Only against him do not stretch out your hand." No matter how much Satan cursed Job, it did not matter because Job received a double-fold of blessings.
- 8) God's covenant never changes. He keeps His covenant and also keeps the mystery to raise you up. God surely fulfills his covenant when nobody realizes. Regardless of whether Samson fails or walks the wrong path, it does not have any effect on the covenant. God does according to His covenant. God simply fulfills the covenant that you hold onto. And through that, everything is perfect.
- 9) Genesis 15 records a very simple explanation that you do not need to do anything for God's covenant. It records that God passed between the pieces as a flaming torch. Abraham thought that he would need to pass through, but he did not.
- 10) There is nothing you must do for the covenant, for it is God's covenant and He will keep it. Therefore, you shall not try to sacrifice yourself. Sacrificing yourself for the covenant does not help or affect the covenant, for God does not even need witnesses for it. Then who will be the witness of God's covenant? God is.
- 11) It is a message that you shall simply enjoy the covenant that was completed through His death and become a witness to this. Therefore, God's covenant is unchanging no

matter what happens. It is the absolute covenant. No one or no incident can block God's covenant.

- 12) Therefore, no one can lay their hands on those who live by and for the covenant. It has the same meaning as the church built on the rock. Surely, the gates of hell cannot prevail against you and you have been given the key of heaven, meaning that you can open all the doors on this earth with this one key. May this become your covenant once again.

2. **Those who remained**

- 1) Through Christ Jesus and before God, you are the one who remains forever. Therefore, you must enjoy the covenant to which your life will be restored, conquered, and stand as a witness. For the sake of the world, you are the one who remains before God. God will continuously give you much evidence and you will be thankful. Through that, the church will be a historical witness to the world.
- 2) The work that arose in the Mark's upper room and the Antioch church must arise upon the churches in America. There are many disciples in Latin America that are waiting to know this content as well. There are many churches in America, Latin America, and the world that do not know what to do and are oblivious to why it is not taking place. There are not many people that know the reason why many problems arise and have no clue why they face such sufferings as people of God.
- 3) You must be thankful that you know the reason. What is left of you to do is to enjoy the covenant, the doors to your life will open as you receive answers, and stand as a witness who overcomes all problems.
- 4) God desires for you to conquer problems. It is only possible by enjoying Jesus Christ. As you give your life to testify of Jesus Christ, then you will live a grand life. It is God's desire to testify the Gospel to the end of the world. Those who place their heart to this, God will allow them to deeply enjoy Jesus Christ. God will grant you great evidence to go to the end of the world to save them all. It is because it is God's desire.
- 5) Before God, the church was called to be like the Antioch church of this age. Like the Antioch church who held to the content, the church must do the same as well to relay this to the churches in America, Latin America, and to all the churches in the world. For the sake of this work, God has called you as those who remained.
- 6) Through Samson's life story, God gives the message that the covenant is unchanging. No one can ever do anything to the covenant with their own might because it is God's absolute covenant. You must confirm it. You must hold to the covenant once again.
- 7) The 100 team and 100 regional churches will be rightfully fulfilled in America and Latin America. You must hold to Jesus Christ as the covenant each day. Bind Satan to which you will be victorious and your life will be restored. You will stand as the witness to save America and Latin America. May you partake in the 237 movement and the blessing be upon you to save the next generation.
