## Personalization of the Covenant

Acts 1:1-14

The covenant is the solution to all problems that are derived from original sin. However, if it has nothing to do with you, then it cannot be the complete answer to you. All those who knew and lived by the covenant conquered their lives and received hundred year answers. It is applicable even now, so you must live by it as well.

### 1. The process to personalize the covenant

- 1) 1:1 Christ
- 2) 1:3 Mission
- 3) 1:8 The work of the Holy Spirit and to wait
- 4) 1:14 Prayer

### 2. When the Word comes in your heart, it will be personalized

- 1) Genesis 12:1-3
- 2) Exodus 3:18
- 3) 1 Samuel 3:19 - The results that arose after the Word was received
- 4) Acts 9:1-15

### 3. The time to have personal holy meditation

- 1) 7 Remnants
- 2) Abraham's altar
- 3) Genesis 24:63 - "And Isaac went out to meditate in the field toward evening"
- 4) Daniel 6:10 - "As he has done previously"

### 4. Conclusion

- 1) You must personalize the covenant so evidence will be upon you. The problems that people cannot resolve will be resolved by the covenant.
- 2) It is difficult when the doors are closed. However, that is the mystery.
- 3) If the reason is unclear, then you cannot focus on the covenant.
