The Type of the One who was to Come

Romans 5:12-21

When you hold to the blood of Christ as your covenant, then the kingdom of Satan that is at work within your life will crumble. You will be liberated from your life, thoughts, curses and can liberate others from it as well. If there are people who follow your lead, you can raise them up as disciples. The content to live a life like this is the blood of Christ. The only sincere and true content in this world is the blood of Christ alone. When you are truly holding onto the covenant and praying, you will receive all answers. It is the bible that proves this, and the bible also explains what you must do to become a witness as well as the reason and method behind it. That is why the bible is the complete answer for mankind. Last week, the message spoke of the Mizpah Movement. When you discard your own idols, return back to God, and restore the covenant God will fight for you, crush your enemies head, and grant you victory and conquest, to which the land that was taken will be restored. Even after this miracle took place, God blocked their enemies granting peace among the Israelites. The bible has many examples of this. The solution is to live by the covenant and for the covenant. This is the eternal message given to you by God. (Matthew 6:33)

1. The type of the one who was to come

- 1) Verse 14 states that Adam was the type of the one who was to come. The reason that the Bible identifies Adam as the type of the one who was to come regardless of the fact that he was the one that committed original sin is because he was one that held onto Genesis 3:15 as his covenant.
- 2) Regardless of the fact that he was the start of all curses upon mankind, he was a person of the covenant and the covenant that grants you salvation was passed down and began with him. He was the start of curses but also the start of salvation.
- 3) Another reason he was the type of the one who was to come was because he lived the life that relayed the covenant. Jesus came down on this earth to explain that he is the Christ and he was able to fully do this on the cross. He came to evangelize.
- 4) Adam can also be seen as an evangelist that risked his own life. He is the one person that knows life before and after original sin occurred. Adam probably never truly knew God's covenant before the bright land of Eden transformed to be in the same state as the Old Stone Age.
- 5) He would have never imagined that such an insignificant action of eating a fruit would result in a miserable curse. And when he did see the transformation, he must have been in much fear.
- 6) God gave Adam a new covenant to save him when he was in this state. What do you think was the first thing Adam did when he had his first child? He relayed the covenant to them and staked his life for this.
- 7) Adam must have felt a similar way as Jesus when he relayed the covenant while he was on the cross. Adam was the only person that physically lived and experienced both spiritual life and death. Therefore, after receiving Genesis 3:15, he staked his life, held onto this as his covenant, and relayed this to others.
- 8) There are countless reasons why Adam is the type of the one who was to come, but these are the 2 fundamental reasons for it. It is important to understand that you can also be like Adam and become the type of the one who was to come. Adam was the first to fall into original sin. And even so, he was identified as the type of the one who was to come so you can surely become this.
- 9) You can become the type of the one who was to come. This is possible for you if you are able to think about the works that God did when He was on this earth and hold onto the 2 conditions of the covenant and evangelism. The Lord has done many things on this earth, but it is quite simple when you summarize it all.
- 10) The Lord saved everybody that came to Him. He saved everybody regardless of their situation. You must do this as well. You must save everyone that you meet. You must raise those that follow after you as disciples. You must break down the forces of darkness wherever you go and God will open the doors for you to save that field.
- 11) It is so simple and easy. You must relay this Gospel. You can do all this when you relay the Gospel and enjoy it. This is the original Gospel and this is the accurate way. It is only possible to go to the ends of Latin America and the Americas with this Gospel. This is because nothing is possible

without God's power. The Gospel contains this power and the precious covenant blood of Christ contains this power.

- 12) May this become your covenant from now on. This is the type of the one who is to return. You are the type of the one who is to return. May this become the covenant inside of your heart.
- 13) The Word that enters into your heart as the covenant will turn into power. You need God's power because the cause is Satan. And God's power is His Word.

2. **Person of 0.1%**

- 1) The type of the one who was to come is the person of 0.1%. The type of the one who was to come of this age is the person that saves all people and holds to the prayer topic of raising them as the disciples. May you be raised like this by God.
- 2) The reason is because God has given you the historical and accurate Gospel. The fundamental reason Adam was the type of the one who was to come is because God gave the covenant to him. The covenant of Genesis 3:15 is the Gospel that has been given by God after the Genesis 3 incident.
- 3) Therefore, those who have received the Gospel from God are the people of the 0.1%. Not only do they believe the Gospel, furthermore, they enjoy, plant it in their heart and stand as a witness are truly the person of the 0.1%. Not only that, if they hold to the content to raise disciples, then they truly are the people of the 0.1% of this age.
- 4) The people and disciples who were used by God along with Moses were the people of the 0.1%. The important disciples that were captives to Babylon and the few numbers of people who joined hands with Luther were God's people of the 0.1% in that age.
- 5) The church yearns to be the 0.1%. The church desires to be God's church of the 0.1% for this age to save America and relay the Gospel to the churches in America that have lost hold of it.
- 6) If the church and you are used to relay the Gospel to the churches in America and help them to restore the true Gospel in the church, then the answers worth a hundred years will be given. There are many unreached people in Latin America. Through the disciples that are connected in Latin America, the church yearns to raise the biblical evangelism movement.
- 7) There is one solution to life, but it can be explained in two aspects. It is Jesus Christ and world evangelization. This alone can resolve all life problems. For you to enjoy this mystery and uphold the power that has been given to you is through prayer.
- 8) As you enjoy the amazing mystery of prayer, may you enjoy God's power through Jesus Christ for the rest of your life. May you receive the Word from God to which you conquer the week by the power of the Word.
