

The Reason

1 Samuel 17:17-30

Firstly, through the introduction you need to understand the Israelites current spiritual state and realize what God has prepared for you. Only then can you be in the time schedule of opening your spiritual eyes to receive the answer that resolved a historical problem just like David. The Israelites are being attacked by the Philistines through Goliath, provoking fear upon them. This is a situation where the Philistines are trying to overtake the Israelites without a big fight. During this time the Israelites were being completely deceived by Goliath. Goliath said "If he is able to fight with me and kill me, then we will be your servants. But if I prevail against him and kill him, then you shall be our servants and serve us."(Verse 9) The Israelites were being deceived by the me-centered ideology of Genesis 3, and in front of Goliath's armor and weapons they were being deceived by the material centered ideology in Genesis 6. In front of Goliath, who has always been victorious in every battle, they were being deceived by the success-centered ideology in Genesis 11. This is the state of the churches in this age as well as the Christians who have lost hold of the covenant.

1. God's preparation

1) Genesis 3 - The world was created by mankind who have left God. The master has become themselves as they manage the world

with law and public order. This is said to be world history, but many try to follow after the heroes that arise from this history. However, there are spiritual problems that cannot be solved when you are man-centered. Therefore, God has given you the message in Genesis 3:15, He has promised to send you the offspring of the woman. And He has prepared everything to fulfill this.

2) Genesis 6 - The world is centered on materialistic things as it ignores the spiritual aspects and focuses on the physical aspects. The culture of this world is falling into big waves, but God has sent you salvation through Christ who is the ark. When you enter into the ark, you will receive salvation and everything will be perfectly prepared for you.

3) Genesis 11 - The world is success-centered to which mankind tried to make their name the highest by building the Babel Top.

In the end, it was in ruins as they were scattered all over the earth. Therefore, God has prepared to save the nation and region by relaying this covenant to that one person. That one person was Abraham.

4) This age is trapped within the problems of Genesis 3,6,11 as it brings disaster to one's self, family, region, nation, and age. Mankind uses their efforts to try to avoid these disasters, but they are wandering and degrading deeper into these disasters. God has

relayed the complete Gospel to you in this age. You must enjoy this covenant and relay this to the Remnants to save this age and nation from this disaster.

5) We are in the End Times. The forces of Antichrists and idol worship are leading today's culture to which many cannot

concentrate on the Word and Christ. During this time, God is working through training such as WRC where Remnants are gathered. God has also prepared this ahead of time. You must pray as you are devoted and in thanksgiving to God who has perfectly prepared everything in your life.

2. The reason

1) Today's Bible passage speaks of the field of disbelief and darkness that David went to seek God's plan. He was able to uncover the reason in the midst of it. The reason is that Satan is at work even now as he enters into your thoughts and replaces God. It is because Satan is giving you fear. That is why God sent David.

2) David received great influence from his father, Jesse. Jesse had 8 sons, but David was the only one that accurately received the covenant from him. Jesse was a man of the covenant for he even sent three of his sons to the battlefield during the war. He also sent

his youngest son, David, to the battlefield as he gave him a mission to fulfill. This was an aspect that differed from other fathers.

(1

Samuel 17:12-18)

3) The men of Israel were in the Valley of Elah, fighting the Philistines. And the Philistine of Gath, Goliath, stood at the front of the

line. It states that his height was six cubits and a span, he had a helmet of bronze, he was armed with a coat of mail, he had a bronze armor on his legs, and a javelin of bronze slung between his shoulders, and his shield-bearer went before him. (1 Samuel 17:4-7)

Likewise, there will be an opponent in your field that will be ready to fight against you.

4) Regardless of whether you are a person of the covenant, if you do not view your field with the eyes of the Gospel, you will be in

fear. It is not to this extent, but Jesse's eldest son, Eliab, rebuked David. (1 Samuel 17:28)

5) The field is already in ruins. Because no one desired to challenge Goliath, they offered many possessions, the king's daughter, and promised to make their house free in Israel to the one that challenged him. (1 Samuel 17:25)

6) You who belong to the Kingdom of God must live with assurance and have faith that the power of God's word is alive and working. You are weak, that is why God sent Christ to you. Regardless of whether you believe in this or not, God sent Christ just as

He had promised. He sent the Holy Spirit and Christ to work together to stand as a witness of the 237 nations and the 5,000 tribes.

7) You must remember the conversation between David and Goliath. Goliath was very arrogant, relying on His God as well as his physical advantages. He was like General Nimrod, completely subdued by Genesis 3, 6, and 11. However, you must remember David's words. Then David said to the Philistine, "You come to me with a sword and with a spear and with a javelin, but I come to

you in the name of the LORD of hosts, the God of the armies of Israel, whom you have defied. and that all this assembly may know that the LORD saves not with sword and spear. For the battle is the LORD's, and he will give you into our hand."(1 Samuel 17:45,47)

8) In conclusion, your life must have a reason. The reason why you came to live in America, the reason why you were born in America, the reason why you live in that region, the reason why you attend that school or that job, and the reason why you meet people. Because you were once in a state separated from God this reason may not be very clear for you. That is why you need training to follow after the word. You must obey God's word through worship, prayer, and evangelism. When you do this the bible says that God will take responsibility for your life, bless you so that you can bear through your hardships, and give you the strength to save the world. (Matthew 28:18-20, Matthew 16:16-20, Acts 1:8)

9) If Christ is the reason for your life then, absolutely, your life will be used for the sake of world evangelization. Throughout this week may you stand as the watchtower of the covenant that discovers the reason why you must obey God's word and save your field. I bless you in the name of Jesus Christ so that you may enjoy the blessing of 24 hours and stand as a witness.
