The One United with Jesus Christ

Romans 6:1-11

Since mankind are creations of God, the answer from the creator is needed and absolute. Those who live holding to this answer will receive the answer to life that overcomes all curses and disasters. This is the answer to the cause that captures mankind with curses. This is the fundamental answer, the complete answer, and the unique answer as there is no other answer. When this is discovered, it becomes the covenant in your heart, and that becomes the most important prayer topic. Prayer is absolutely answered, so if you continue, it will be done according to the promise. When this answer is continued, your life is freed from curses, and you become the witness that saves others from these curses as well. All those who discovered the answer and made it their covenant conquered the world, and they became the people of transcendence that conquered themselves and the age. Moses was a person who lived with God and transcended all the incidents that arose in the wilderness. He knew the cause and had the answer for it, and he knew what he had to do for that. It was the same for Apostle Paul. He also became the one who knew Christ, and that day, he came to know what he had to do for that answer at the same time. Through him, world evangelization arose. May you become the person that envisions this, that it may become your covenant and, therefore, be what you hold onto and pray for and be united with it for all your life.

1. The one united with Jesus Christ

- 1) Verse 5 states, "For if we have been united with him in a death like his, we shall certainly be united with him in a resurrection like his." This states that if you are united with him in his death, you will be united in his resurrection.
- 2) The way to become united with Jesus Christ is faith. When you believe and have faith, you will be united with his death and as a result be united with his resurrection.
- 3) There is a similar expression written in Verse 4. "We were buried therefore with him by baptism into death..." This is explained in a very detailed way however, it is the same in which it will happen when you believe.
- 4) The result of this unity is recorded in verse 7, "for one who has died has been set from sin." Verse 11 states, "So you also must consider yourselves dead to sin and alive to God in Christ Jesus."
- 5) You are already living with the hope of resurrection for you have been united with his death and his resurrection through faith. This means that your faith and grace of salvation has been finished and that you are living inside of Jesus Christ.
- 6) As one who has received salvation, you must hold onto what God desires in your heart. This is the mystery to become united is to testify the gospel. This is God's only desire and the only way for mankind to come out of curses.
- 7) This is the most important work in this world for if it did not exist, there would be nothing of worth in this world. And this is not something that mankind can do. Only God can do this work, so you are simply his tool.
- 8) You must know the intentions and content of God first. And you must do as He says. So those that know this well will be used by God and will receive the blessing of becoming a witness. Those that have been united with his death and his resurrection must also become united with His desire.
- 9) God's desire is one thing. You must do evangelism, missions, raise disciples, healing, and the Remnant Movement to the ends of the world. You must do this until the day that the Lord returns for this is God's only desire.
- 10) May you discover God's desire and make this your covenant. You are righteous because you have been united with Christ in death. He is the one that has allowed you to have hope in resurrection because He is the only way. There is nothing else that is more valuable than this.
- 11) All of the historical figures that moved the age in the Bible were able to understand the fundamental covenant as they received the commission of God's desire. And they conquered the age for all of the problems that arose before them knelt before them.
- 12) The answer is simple. You must also pray for this covenant to come into you and wait for that day. Then answers will have no choice but to come for you will be able to conquer all things within

your life and this world. May you live a life that relays this tremendous mystery to the ends of this world. May you receive this blessing.

2. **Prayer**

- 1) The only thing that is left for you is to pray. The covenant is already fulfilled, so God promised that He will answer your prayers. Also, God promised that He will do all things according to the answer. So the only thing left for you is to pray.
- 2) Couple days ago, there was a Word that God had given to Pastor Jang regarding the church problems. What is the most urgent problem in the church? The first Word that God has given to the church regarding the matter is that it must be centered on the Biblical evangelism camp. It is for the Biblical evangelism strategy to be fulfilled upon the fields.
- 3) The second Word God gave was breathing prayer. Through this, one must receive their answers and there must be the grace to spiritually enjoy it.
- 4) Therefore, God gave Pastor Jang the heart to continuously pray for these two aspects until it is fulfilled in the church. Also, Pastor Jang resolved in his heart to speak of these two aspects until it is fulfilled.
- 5) Pastor Jang has received these two Words from God and has the heart to relay the Word to the believers. Pastor Jang has resolved in his heart to speak of these two aspects with faith until the day God answers it.
- 6) You must receive the Word from God. Also, you must live according to the Word. It is because God does everything by the Word. Prayer is the way to fulfill the Word. If you hold to the Word and pray, God will fulfill it. It is God's desire for the Word to be fulfilled, the kingdom of God to be established, Satan to be demolished, and all curses to be cast away.
- 7) God desires to pour His grace to you. That promise is already fulfilled and upon you. All there is left for you to do is to pray. It is not the prayer that is so well or goes in depths, you must simply pray.
- 8) You just need to pray. Then, the results will show. The reason is simple. It is because God has promised. As you just pray, it will lead you to pray well and go in the depths of it.
- 9) If you pray, it means that the covenant that you hold to as you pray will be yours. To just pray is important, but if you pray holding to the covenant, then it will be the prayer of power and authority. You will continuously pray more and more holding to the covenant. Even in the times of difficulties, anxiety, and the times of being in tears, God knows it all and will hear your prayer.
- 10) You are filled with Grace who has the covenant of Jesus Christ. If you hold to the covenant and pray, then everything else left is in God's time schedule.
- 11) During the time of prayer, may you enjoy God's promise that is recorded in the Bible or the personal Word of God. Through the prayer of enjoying the covenant, may the grace be upon you to conquer all life's problems and the work of Satan.
