The Evangelist Who has the Team

Acts 18:1-11

Evangelists are the most precious beings in God's eyes. It's tremendous and precious for personal evangelism to take place. However, the Bible emphasizes for evangelism to continue on to conquer the region and pass to the next generation. Our evangelism model is Apostle Paul's evangelism. We desire to plant that upon our church, America, and South America. The one who has the answer will be greatly used for evangelism.

1. The start is the meeting with the disciples

- 1) 2 : Priscilla and Aquila
 - (1) 3 : He stayed with them.
 - (2) 4 : He went out to the field with them.

- 3) 7 : Field disciples - Titius Justus
- 4) 8 : Also another field disciples - Crispus, the ruler of the synagogue

2. God governs it

 - (1) This is what the evangelist must pay attention to.
- 2) One year and six months - The time that God has permitted
- 3) 18 : The disciples went with him as he went to Antioch

3. The core point of evangelism team - Mission Home

4. Conclusion

- 1) In God's eyes, the most beautiful feet are the evangelists.
