The Origin

Romans 11:33-36

It's very important for your spiritual eyes to be opened. From then on, the world changes along with your motives and reasons. In the end, the person completely changes. There is depth in understanding and enjoying the promise of the Bible and seeing evidence. What will surely come along, is that your spiritual eyes will be opened and to open your spiritual eyes God gives the Word. Through the Word, your spiritual eyes and enjoyment will become deeper. This will change the way you think and make judgments. You can understand all the bible by properly opening your spiritual eyes through one Word that hits your heart. The principles are the same because the Word comes from one God. In this way, you will understand all the written Words within the bible and find your mission. If you know God, as well as His covenant and desire, naturally, you will come to know the rest. This will all take place according to God's time schedule. Therefore, it's so important for you to receive the Word and open your spiritual eyes. This can become a turning point for one's life and the bible records countless examples of this. Hebrews 12:1 states that there was a great cloud of witnesses, these witnesses have all experienced this turning point within their life. May this blessing be upon you.

1. The origin

- 1) God is the source of your everything. Verse 36 states, "For from him and through him and to him are all things." No one can say a word against this proclamation. All creation must kneel before these words.
- 2) It is a confession of Apostle Paul that simply summarizes who God is and what God is to you. It is the Word that becomes the source of not only mankind, but all of creation. He must become your master because everything begins with Him.
- 3) Because all things are occurring through Him, you must pray and be led by Him. You must also have faith because all of creation revolves around Him.
- 4) No matter how successful your life is, if you do not do this, you will become a complete failure. You must live with God as your center and your master. He stated that your life is through Him so all processes are in His hands. Therefore, you must surely live the life of holding onto the covenant and praying.
- 5) You must surely wait inside of faith and hold onto the covenant because the conclusion of all things is God.
- 6) Although you may be having faith and following Him to the best of your ability, you must confirm and root in this source once again. Because the Word is also a creation that has life, it is important that you hold onto the covenant and always confess this. This spiritual work is the life movement for this is the fundamental and basic of an offering that saves lives.
- 7) The 7 Remnants are the representatives who have continuously enjoyed, confessed, and made the Word they received as their 24 hours. They all lived a historical life, saved the age, and saved the culture. You must never forget that these tremendous works occurred because they received the word and held onto it as their covenant for 24 hours. Rightfully, these works will arise in your life as well. May you receive this answer.

2. Answer

- 1) Answers are important. Without answers, you cannot conquer and be a witness. God knows it as well. The answer is recorded in the Bible and this is God's method for evangelism.
- 2) Prayer is connected to answers. You must hold to the covenant and fervently pray. God fulfills His promises, so you must hold to the covenant and pray.
- 3) Also, Satan must be destroyed because Satan is the cause to all. The precious blood of Jesus Christ on the cross is the only answer to destroy Satan. There is God's promise in the covenantal blood that will break down Satan. Therefore, you must pray fervently as you hold to the precious blood of the covenant.
- 4) The next important element to answers to prayer is God's desire. There is God's reason why He has saved you, allowed you to believe in Jesus Christ, and answers prayer. It is because He desires

for the Gospel to be testified to save many from curses. There is nothing more valuable than this to God.

- 5) Evangelism and world evangelism is very important to God. God the Father has died on the cross to set people free from sin and curses. You must never lose hold of these two elements for you to receive answers to prayer.
- 6) You hear it so often, but may it be your covenant once again. Then the promising Word will be living and active in you. It must be living and active in you for 24 hours. To that extent, you will see answers, have enjoyment, and conquer all things.
- 7) Everyone knows that God has created the world. However what is more important is that everything comes from God even now. It did not only end when God created all things, but the work of creation is taking place even now. That is why you must have God as the Lord to your life.
- 8) After creating all things, God did not allow the creation to be on their own. To this day, God is governing and with all creations. Romans 11:36 “For from him and through him and to him are all things. To him be the glory forever. Amen.”
- 9) God governs and rules all things according to His time schedule. You must rightfully receive the guidance of the Holy Spirit and enjoy Jesus Christ who is your fundamental answer. You must hold Jesus Christ as your covenant and pray as you wait.
- 10) In the end times, all creation will return to Him. This is the result for His creations. This is what will take place in the second coming of the Lord Jesus Christ. All those who don't believe in Him in the end times will be eternally cursed. Matthew 22:13 “Then the king said to the attendants, ‘Bind him hand and foot and cast him into the outer darkness. In that place there will be weeping and gnashing of teeth.’”
- 11) They went out to the main roads to invite many guests to the wedding. However, the king noticed that they were those who did not wear wedding garments. Likewise on the second coming of Jesus Christ, Jesus standard measurement will be based on faith like the wedding garments that was stated in Matthew 22.
- 12) May you confirm the origin of your life once again and come out of the curses that you are in. May you live the life of the witness that conquers every aspect of your life. God will use your life as a masterpiece.
