The Evangelism that We Must Do

Acts 13:1-3

Our church holds to the covenant to save America and to the ends of South America. We have received the historical Gospel and know God's heart. His will is going to be fulfilled and no one can ever block it. What is left is for you to know and have the heart of the Lord's evangelism. If your spiritual eyes are opened to this, then Biblical evangelism will arise in you. It will be relayed to America and Latin America. This work took place in the Antioch church and as a result, bore the fruits of the covenant in the churches of Rome.

1. After the disciples were raised

- 1) 5 people – They were the greatest disciples
- 2) Prayer and guidance of the Holy Spirit
- 3) The best Gospel team
- 4) The Lord's hand - The stream of that age

2. The chosen ones

- 1) Those who had the Gospel
- 2) Those who received the mission - Life, will
- 3) He chose the best disciples. - The most important work is mission.
- 4) Those who are inside of God's plan

3. People of all nations

- 1) The ideology of Adam's descendants
- 2) 4 Church prayer topics - The church's direction
- 3) Those who have the covenant in the church - Identity
- 4) To be in charge of a nation

4. Conclusion

- 1) Regardless of what it may be, the covenant will be fulfilled. You must carefully listen to the messages.
- 2) Anyone who considers themselves important does not do anything or everything for no reason. You must do what God tells you to do in prayer.
- 3) If you connect with God and His will, then you will conquer and revive everything.
