# The Life Message

Matthew 26:24-30

There are always turning points for us, but the church is going through an important one right now. We are looking to establish church officers to be in charge of one nation in the mission fields and begin a new camp utilizing the Biblical evangelism strategies. The attitude of praying over a nation in the mission field, not just for the newly appointed church officers, but for all the church officers, to create an important system that will bear the witness of the Gospel, and to pray for that place for the rest of their lives, is something that God is so pleased with and something that we are called to do. When we think of Christ's death on the cross and the shedding of His blood to bring us out of hell, where we are cursed and must suffer for eternity, it is right for the church to have gone all-in to establish a mission system to be raised in many nations. Even for the camps, now it's really about taking what we've been trained in and what we know from reading the Bible and what will be fulfilled in the fields so that when the doors open in the U.S. and South America, the church will be a model church and a platform church to carry this Biblical evangelism with the Gospel. The Antioch church was like this. We need to be that church in the U.S. and South America. May we open our spiritual eyes to what this new beginning is and discover that we are indeed passing through a momentous turning point, and may we engage with the Church so that we can be one with God as witnesses of this age.

## 1. The life message

- 1) Today is Thanksgiving Sunday. It's a day to give thanks for the many fruits, both spiritual and physical, that God has given you throughout the year. You believe that God is very pleased to hear your thanksgiving. May this be a day of harvest as you enjoy the blood of the Passover Lamb and the work of the Holy Spirit who came 50 days later.
- 2) The Bible passage shows Jesus observing his last Passover on earth. The highest Christian rite, the Holy Communion, is based on the passage.
- 3) Matthew 26:26 "Take, eat; this is my body." Luke 22:19 "This is my body, which is given for you. Do this in remembrance of me." Matthew 26:28 "For this is my blood of the covenant, which is poured out for many for the forgiveness of sins."
- 4) He said the bread is His body, which means His death and the cup symbolizes His blood. And in Luke 22:19, He said, "Do this in remembrance of Me," which is why we do it today, holding the covenant in reverence.
- 5) The forgiveness of sins is the most fundamental thing for human beings. Sin caused all problems, and life doesn't even begin until sin is solved. This was solved by His death and the blood of promise. This blood of promise comes from Genesis 3:21, and Genesis 3:21 is the way to enjoy the covenant of Genesis 3:15. It is the secret that the offspring of woman will crush the serpent's head.
- 6) It is the same on the day when they placed the blood of the lamb, God destroyed Egypt. As you continue to apply this covenant blood to your life, the Lord continues to crush the head of Satan in your life. This is God's message and promise to you. It is the most fundamental promise, so you must receive this covenant blood as a lifelong message.
- 7) You have to hold this covenant all your life, and you have to live in this covenant, and you have to live for this covenant. If there's a covenant, there's a message that comes with it.
- 8) Even a family that does well in their businesses from generation to generation has a message that is passed down. It's a covenant and a message that people in that family will hold onto, and it's what will be fulfilled in that family and in that business. It's the direction of that business and the reason for it.
- 9) The same is true between God and you. Those who have taken hold of the Lord's blood of promise for the forgiveness of sins in the covenant are bound to find God's life message there. It will become a life message to anyone who enjoys it.
- 10) Then this message becomes your life and reason. If this person is a man of God, then they will receive the Biblical answers. At the very least, it will lay the stepping stone for future generations to receive the answers.
- 11) May you have the blessing of eternal forgiveness of sins, which not only frees you from curses and disasters but conquers them. These blessings are given to anyone who enjoys the blood of the promise as a covenant and follows God's message from then on. The Bible proves it.

2. **The one who has the life message**

- 1) No matter what happens in the world, the one who has the life message will never shake. No matter what happens in the world, it doesn't stop God's message. It doesn't matter if people bring affliction to them. There are a lot of frustrating things in the world, but if you have a life message from God, you will not be discouraged.
- 2) If something comes along that discourages you, you will not get caught up by it because God constantly gives you answers. There's going to be persecution, but you will not be forsaken and not be destroyed. That will never happen. The life message that God has given you is God's desire for you.
- 3) Who can stop this will of God? No one can. This is the mystery of being victorious, conquering, and receiving continuous answers. Who will stop the one who holds to the blood of the covenant and prays? No one can stop them but He who can overcome the blood of the Lord's promise.
- 4) Who is there in the world who can overcome the blood of the promise? Who can solve all the problems caused by original sin, who can crush the head of Satan, the cause of original sin? It is impossible to imagine such a person. Can you imagine it?
- 5) But there is one person who stands in the way of this covenant. It is the one who does not enjoy this covenant as an absolute in their life. The one who doesn't pray the blood of this promise, the one who has absolute authority that no one can stop, is blocking the blood of this promise.
- 6) They can't even be judged by God because they are one of God's people, so they don't realize how tremendously what they are doing grieves God. It's only when judgment comes that their eyes will be opened, and they don't enjoy it absolutely, but they have the blood of this promise in them, so God doesn't judge them. He just keeps on forgiving.
- 7) So they continue to live their lives. They know that it is God's grace and live by it. It's grace, of course, but it's a very unfortunate grace in the eyes of God. As we commemorate the Holy Communion, as it is the foundation of Christianity's greatest rite, may you be blessed to have your spiritual eyes opened and enjoy the Lord's eternal covenant, the blood of promise, absolutely to the end.
- 8) May you be blessed to reach 24, 25, and eternity. May all that is in the 777 prayer be your personal covenant. May you all be blessed individually to save America and South America.
